

Wooden Candle Holder with Chakra Tealights for Spiritual Balance- Shunya Wellness

In a world filled with constant noise and distraction, finding moments of peace is more important than ever. Shunya Wellness is dedicated to helping you create a personal sanctuary, and our exquisite [Wooden Candle Holder](#) is the perfect starting point. More than just a beautiful object, this piece is an invitation to quiet the mind and connect with your inner self.

Inspired by the ancient practice of Trataka, our candle holder is expertly crafted to bring the flame to a natural eye level, ensuring a comfortable and strain-free posture as you settle into your practice. Its sturdy, minimalist design complements any decor, adding a touch of natural elegance to your meditation corner or living space.

Each holder is made from sustainably sourced wood, embodying our commitment to both your well-being and the health of the planet. Paired with our premium chakra tealights, it helps you deepen your sensory connection, turning a simple ritual into a profound experience. Choose a floor or table stand and complete your space with one of our Seated Meditation Sets for the ultimate immersive journey. Create a haven of tranquility with Shunya Wellness.
